## **Be a Certified Babysitter!**

# **Red Cross Babysitter's Training Course**

The American Red Cross Babysitter's Training is a course designed for students ages 11-15, interested in becoming responsible babysitters. The course will provide participants with the skills necessary to provide safe and responsible care for children in the absence of adult guardians. The training will help students develop life skills in leadership and professionalism, basic care, safety and safe play, and basic first aid.
